Ever thought about setting up YOUR OWN BUSINESS in the world's FASTEST-GROWING education industry?

Faculty Room Limited is a tried-and-tested, 5-star provider of teaching, tuition, training, translation, and writing services.

We have a 100% success and satisfaction rate over 25 years of mixed education and 8 years in the Education and Academia industry.

Having grown our recognised brand and our client and education contractor base by around 200% in the last 3 years, we are now looking to expand our business and sustain our levels of quality bespoke provision by offering ready-made and tailor-made Faculty Room Limited franchise opportunities.

Just like the services and skills we have always offered, our Franchise options can be designed 100% to fit your needs and fulfil your personal business dreams. Pricing and inclusion of franchises can therefore range to suit you.

Our 'full-fit starter kit' ENTREPRENEUR franchises incorporates everything from banking to branded website and from marketing materials to proven teaching resources... plus everything you could possibly need or request in-between to help you flourish and dominate the market from the very outset.

Our reduced-rate, 'start and sustain' ENTRY LEVEL packages offer more tailored inclusions, such as national and local advertising campaigns and training and recruitment support to help you build and grow your business your way with our personalised business support.

Our one-off flexible 'brand and business only' DO-IT-YOUR-WAY packages focus on the initial and ongoing establishment of a more personalised business model, where you can benefit from a ready-made brand with a proven track record and get the support to put your own ideas into practice.

Even within these 3 levels of franchise investment, your package can be uniquely trimmed or boosted to incorporate the needs you might have... and ongoing costs can likewise be adapted on an ad hoc basis to keep them to a minimum while sustaining your growth or changing needs.
